

PAINT & MUD MIXERS

Mix-N-Clean® Paint Mixers with 6-in-1 Tool Design Model #1521

- Mix-N-Clean mixes 5-gallons, gallons and quarts faster and better than any other paint mixer, from start to clean-up.

Model #1520

- Mini Mix-N-Clean mixes pints, quarts and gallons faster and better than any other paint mixer, from start to clean-up.

Both Models Feature

- Patented shape and hole pattern for speed and optimum mixing.
- Unique pivoting blade for use through pour spout.
- Opens paint cans.
- Paint can lip cleaner, pushes paint in the rim back into the can.
- Use as a hand-held stirrer.
- Functions as a spatula to easily scrape sides and bottom of paint cans and buckets.
- Cleans roller covers in seconds.
