

# WOODMATES®

## 9" STANDARD STAIN APPLICATOR

### Woodmates® 9" Standard Stain Applicator Model #0330

The standard stain applicator features a pivot head that makes staining a breeze and allows the beveled pad to be used as a gap tool. Our Flextech® foam pad is highly tear-resistant, easily replaceable and releases more stain to cover more board feet in less time. Edging guides provide clean, crisp edges and keep stain off siding. The hook and loop system lets you zip pads off for easy cleaning and easily press them back in place. Use with an extension pole to make staining decks faster and easier.
