

WOODMATES®

FLEX CORE STAIN APPLICATOR

Woodmates® Flex Core Stain Applicator

Model #0370

The flex core stain applicator combines the best attributes of a brush with those of a pad to make staining fences a breeze. Flexible “fingers” force the pad to conform to uneven surfaces and provide a smooth finish. Our hook and loop system lets you zip pads off for easy cleaning and easily press them back in place. The Flextech® foam pad holds more stain than ordinary pads, is tear-resistant and replaceable. Soft touch grip areas for secure handling. Use by hand or with an extension pole to make staining fences faster and easier.
