

WOOD STAINING MADE SIMPLE.

Our 12 in Premium Stain Applicator is our top of the line staining solution. Its extra wide pad stains two boards at once. The built in gap tool helps you reach hard to access spaces between boards. Hook and loop pad attachment allows for quick and easy cleaning and reattachment of the tear-resistant foam pads.

★★★★★ CUSTOMER REVIEW

"This is a great product! Applies stain to deckboards and in between very well. Pad is designed to withstand catching nails and splinters. Holds just the right amount of stain. This product cuts time to finish your deck without a doubt. Pad easily removes for cleaning. I will NEVER use a roller again to finish a deck."
