#1503A

Mr. LongArm Lazy Joe® Wrappers

- Vapor barrier foil keeps loaded brushes and rollers fresh and ready to paint for hours, days, even weeks.*
- Better than plastic bags, plastic wrap or aluminum foil. No need for refrigeration.
- Less mess, easy to use and reuse. Zip closure seals around tool handle to keep it free of paint and ready to use. You can even leave your threaded tools attached to an extension pole.
- For most latex and oil based paints or stains.
- Extends the life of paint brushes and roller covers.
- Brush wrapper with 5.5" x 5.75" opening fits most 4" paint brushes and other applicators.
- Roller wrapper with 5.5" x 11.75" opening fits most 9" and 9.5" paint rollers and other applicators.
- Jumbo roller wrapper with 21" x 8.75" opening fits most 18" commercial rollers and other large applicators.

Excellent for use with Quick Drying Low VOC paints!
